Video Camera Operators Needed!

We are looking for volunteers to operate the video camera on Sundays. This is an important ministry that is very much appreciated by members of our community who enjoy watching the CPC Sunday Service on ICTV. If you are interested in helping out contact Tim Massaro 507-398-6309 or the church office 326-8515.

Re-Stock the Shelves!

Now that the holidays are over, let's not forget those who are struggling to put food on their tables. It's time to re-stock the shelves! Please help us do this by bringing items such as box dinners, vegetables, peanut butter, cereal, flour, sugar, flour and baking/cake mixes and placing them in the grocery cart in the lower gathering area. Thank you for all you donate!

Interested in Giving Using Your Mobile Phone?

You can now give to the church using your phone and scanning the QR Code printed here! You will be brought to a secure website. If you have never given electronically before you will be asked to set up a user name and password.

Missing Any Pans?

If you have brought any bars or other treats to the church and left a pan behind, please stop by and pick it up! The kitchen will be emptied to start the remodel after February 17 so we would like to find homes for the extra pans and tupperwares that have been left behind!

Janice Burch Celebration!

Please join us for worship on February 17th as we celebrate the music ministry of Janice Burch! Janice is retiring and moving to Texas after 42 years in music education and 18 years at Community Presbyterian church. Composer Mark Hayes has been commissioned to write a new piano piece for Janice. As an added bonus he will be at the service on February 17 to perform that piece and others! Following the service the Fellowship Committee will be hosting a Chili Supper in Fellowship Hall. Mark Hayes will present a concert at 2:00pm Sunday February 17 as well. This concert will be filled with Mark's inspirational music. The concert is free and open to the public. Come join us and bring a friend!
