## THOUGHTS FROM AN ELDER

About two years ago my niece Amy and her wife Sheryl were married, and I often tell a story about their rehearsal dinner. Several friends had come up from their home church in Texas for the wedding, and after the blessing they stood up to sing the traditional Doxology. As you might expect at a Midwestern wedding, pretty soon the whole room was singing too, and we finished up with a nice full sound in four parts. One of our own children's "plus-ones" was completely amazed by this—not having grown up in the church or in a musical family. Everyone else thought it was pretty normal, since church music had been an integral part of all of our lives.

Since the fall music season has started, I've been doing a little reading about music in Presbyterian history. Did you know that, originally, Presbyterians sang only psalms, with no instrumental accompaniment? It was considered improper to use instruments, or for a group of people to sing as a choir, superseding the congregation.

We've obviously made a lot of changes since then, but congregational singing remains the most important form of church music. Have you ever noticed how the hymns always complement or extend the text of the day? Our music staff is diligent about that. We are also very fortunate to have such a great hymnal. If you've never looked closely at it, you should! The short summaries at the end of each hymn are well worth reading, as is the chapter on patriarchal language.

So, if you'd like to join a choir, please do! Traditional choral music? Chancel Choir! Ultimate teamwork? Handbells! Gospel and praise music? Praise Band! But even if none of these works out for you, sing out! We are all the music of the church.

~Cathy Cleary, Elder

## PASTOR TO PEW

Year after year we have discussed our need for more staff at CPC. We've evaluated where our focus needs to be, we've spent time increasing our budget, and now we've found a way to make it all work. I can clearly hear an Hallelujah Chorus! We are honored to introduce three new staff members:

**Betsy Whirley is our Youth Director**, she began this past summer and has already attended a Blandin training on process and planning. Betsy will work with the Youth Groups. Her ability to connect with our young people and her desire to lead them in mission, Christian responsibility, and fellowship is fun to witness. Betsy's office will be downstairs in the old Bridges space. She will mostly be here Wednesday afternoons and Sunday mornings. She is reachable via email at [betsy@communitypresbyterianchurch.com](mailto:betsy@communitypresbyterianchurch.com).

**Vangie Mattfield is our Director of Christian Education**, and will lead the Christian Education Committee and oversee Sunday School and all seasonal programs such as Vacation Bible School and Christmas pageants. Vangie will share an office with Betsy downstairs in the old Bridges space. Her main work day will be Sunday, and she is reachable via email at [vangie@communitypresbyterianchurch.com](mailto:vangie@communitypresbyterianchurch.com).

**Mary Shideler is our Lay Pastor**. This is a new experience for us as well as our Presbytery—to have a Lay Pastor serve in a congregation with an installed Pastor. So we will evaluate as we go but for now, Mary will oversee the Deacons and outreach to homebound members. Mary will also preach in Kim's absence, or up to three times a quarter when she wishes to polish her worship leadership skills. Mary will be given permission to serve communion and moderate session in the event Kim is unable. The Presbytery will commission Mary to this position during their October 26-27 meeting at Clearwater Forest. We will also have our own commissioning service in November during worship (the tentative date is November 4). Mary will occupy the spare office in the main staff suite. Her office times will mostly be by appointment. You can contact her via email at [mary@communitypresbyterianchurch.com](mailto:mary@communitypresbyterianchurch.com).

All positions are scheduled to officially start on October 1. Please be patient with us as we get going the next couple of months. We feel incredibly blessed to have these three women on-board. They are each dedicated and gifted, and they will provide CPC the opportunity to focus in areas

we have otherwise struggled (Praise be to God!) and many thanks to the members of Community Presbyterian Church. You make the ministries of this church both necessary and possible.

~Pastor Kim

## **Educational Moment**

### **What is a Lay Pastor?**

It is important to note that both pastors and elders are ordained for the life and worship of the congregation. Elders serve communion each month and are often commissioned to do other duties in absence of the pastor (for instance, if a pastor leaves a congregational meeting when they discuss Terms of Call, an elder would be appointed to moderate until the pastor returns).

As a response to many small churches unable to meet the financial needs of an installed pastor, Commissioned Lay Pastors (CLP) were set forth by the General Assembly of the denomination. A Lay Pastor is an elder who holds the gifts of preaching and leading the missional aspect of the congregation. Lay Pastors are educated by the Presbyteries who supervise them. At this time, there is no national educational standard for CLPs, so depending on the Presbytery jurisdiction, each Lay Pastor is trained differently. It is important to note that CLPs are ordained elders, they are not Ministers of the Word and Sacrament. Additionally, CLPs are locally authorized. They have no standing beyond their Presbytery and the particular church to which they have been commissioned, and they are authorized only to the tasks outlined in their contract with the Presbytery and local church.

Lay Pastors offer a great service to the Presbyterian Church. They are individuals with integrity (they go through the same psychological testing that pastors receive) and they hold a sincere sense of call and service to the church. Some go on to obtain their Master of Divinity degree and are ordained as a Minister of Word and Sacrament. As a congregation gifted with the talent of Mary Shideler, we will support her in all of her endeavors, but let's be slightly selfish and hope she stays here awhile before furthering her call process in seminary! Teasing aside, we are so grateful for Mary, and we'll continue to challenge her faith journey.

**Hungry Care-A-Vanners Served**

The Peace & Social Justice Committee served lunch on Friday, September 21, to some very dedicated people known as the Habitat for Humanity Care-A-Vanners. These folks travel across the country working on different Habitat for Humanity sites. There were 12 of them and some admitted they had been gone all summer and were anxious to return to their homes. One couple was from the middle of Michigan and said they had met some very committed and friendly people and loved to offer their time and skills but were anxious to see their family. Some had been to Grand Rapids before and felt our community was beautiful. They all traveled in trailers or RVs and stayed at the campsite free of charge. Most helped they would return next year to again work on a Habitat site.

**Open Door Coat Rack**

Soon the temperatures will drop, the snow will fly, and winter will be upon us. So we will go to the closet and get out our winter coats, boots and mittens, but many in our community have no such warm clothes...and so we share ours!

The United Methodist Church will hold its annual coat rack on Tuesday, October 22, and Wednesday, October 23. Coats, snowpants, jackets, hats, and mittens will be handed out to those in need.

Last year, more than 1,100 children, teens and adults were given warm clothes to wear when the weather turns frigid.

If you have extra coats or jackets, mittens or scarves, consider donating them to the coat rack. Donations need to be clean and in good repair. The Peace & Social Justice Committee has a huge box in the lower gathering area into which you may put any donations up until October 15. Let's check out our closets and help those in need this winter.

The church of every time and place wrestles with the distance between our timeframe and God's. In God's time, even the small seeds we plant can grow into sturdy trees. In God's time, the fears we carry can be transformed into new partnerships and hope. In God's time, our expectations can be expanded and surpassed by God's faithfulness. The 2018 Peace and Global Witness Offering encourages the church of our time to cast off anxiety and fear. It quiets the anxiety of each believer by joining us together, as we offer our prayer and our resources.

This special offering lets us share Christ's peace with one another. It builds on the Presbyterian Commitment to Peacemaking established in 1980. Twenty-five percent of the offering stays with local congregations and 25% with mid-councils to unite congregations to support peacemaking in their regions. Fifty percent supports the work for peace and reconciliation being done by Presbyterians across the globe.

May you consider a generous gift to this most urgent offering. There are three ways you can give: through our congregation by using the envelopes in the back of the sanctuary; text PEACE to 20222 to give \$10; or respond to [presbyterianmission.org/peach-global](http://presbyterianmission.org/peach-global).

**TRICK-OR-TREAT: MONEY-OR-EATS!**

Please join the Peace & Social Justice Committee during the month of October and donate any nonperishable food items—or cash! Each dollar donated provides food for five meals and goes further due to wholesale purchasing power, to provide nutritious high-quality food items like milk, chicken, eggs, fresh fruits and vegetables and yogurt. With chilly weather setting in, a nice warm meal would be a treat!

The walking taco lunch on Kick-Off Sunday, September 9, was a big success with about 100 people enjoying the delicious meal! Thank you from the Fellowship Committee!

## Cut & Sew Project Group

*“Quilters have the sharpest of scissors and the warmest of heart.”*

Because of the CPC Fall Rummage Sale, the quilting group will be meeting only on **Wednesday, October 17 at 9 A.M.** Please join us for fun and fellowship!

The Project Group #2 will also meet on **October 17** and will be ironing and assembling All Saints banners. No sewing involved. Snacks always served!

Our BUNCO group will gather at **9:30 A.M. on Wednesday, October 12**, in the Fellowship Hall. Bring \$2 for the kitchen remodel fund and be ready for lots of fun! *No experience necessary!*

## The Book Circle

The Book Circle will meet **Monday, October 8 at 1:30 P.M.** by the fireplace. The book for this month is *I Was Anastasia*, by Ariel Lawhon.

*Russia, July 17, 1918 Under direct orders from Vladimir Lenin, Bolshevik secret police force Anastasia Romanov, along with the entire imperial family, into a damp basement in Siberia where they face a merciless firing squad. None survive. At least that is what the executioners have always claimed.*

**Germany, February 17, 1920**

*A young woman bearing an uncanny resemblance to Anastasia Romanov is pulled shivering and senseless from a canal in Berlin. Refusing to explain her presence in the freezing “Quiwater, she is taken to the hospital where an examination reveals that her body is riddled with countless, horrific scars. When she finally does speak, this frightened, mysterious woman claims to be the Russian Grand Duchess Anastasia.*

*Her detractors, convinced that the young woman is only after the immense Romanov fortune, insist on calling her by a different name: Anna Anderson.*

*As rumors begin to circulate through European society that the youngest Romanov daughter has survived the massacre, old enemies and new threats are awakened.*
